MISS MARILYN JACOBS

Highlanders.

I consider myself fortunate to be teaching at LHHS because of the fine faculty and the wonderful group of students with whom I work. I have never known a finer group of students than attend LHHS.

I love teaching very much! It is a fun and extremely rewarding profession. Some of the most rewarding experiences I have had revolve around the GAA program at La Habra. I have come to know many students through swim team, synchronized swimming, and especially GAA classes. I have a great deal of respect and admiration for these girls and find it hard to express in words how very much I have enjoyed working with them. My Senior GAA class I will never forget.

In addition to GAA activities, I have had the pleasure of being flag advisor, a Girls' League advisor, and a folk music club advisor this year. I welcome opportunities to know as many students as I can. I have also been active as faculty social chairman.

My outside interests include the guitar, (naturally), water skiing, swimming, camping, and all outdoor activities. I also enjoy 35 mm photography and men (of course!).

# FAVORITES

Highlanders!

Born and raised in Winnipeg, Canada, I "courageously" volunteered to serve in Europe during the Korean War. There, I spent two years in France with the United States Air Force.

I was educated at UCLA, where I took my BA and MA degrees in political science and it was while attending UCLA that I met my wife, Sue, who is a very competent artist. We have two children, Kurt, 5, and Erika, 3.

My major interest lies in travel. I also enjoy folk music and, of course, politics.

In my two years of teaching at LHHS, I have come to know many fine teachers and students. I hope that my students have enjoyed my teaching as I have enjoyed them.

SUZY'S quiet manner and friendly smile have helped her to win many friends.

Highlanders,

I am grateful to the American Field Service for making possible student exchange and a better understanding between Turkey and the United States.

When I return to my country, I will carry back a whole year of memories which I shared with you.

I want to thank you for making this year one of the most unforgettable years of my life. I am proud and always will be proud of being a Highlander.

Before saying good-bye, I wish you the best of everything. I hope—crossing my fingers—I'll see you again soon.

With love,  
Suzy

SUZY'S PARENTS are very proud that their daughter was chosen to represent Turkey in the U.S.

# FROM PARAGUAY

Hi, Highlanders!

This was my greeting a few short months ago. Now I must say good-bye with much regret, but with many fond memories to take back to Paraguay.

Thanks to all for the help you gave me. You have provided a most pleasant picture of the U.S., and I have acquired ideas which I will carry back to my country.

This has been a delightful year. I am thankful to all students and teachers for the memorable experiences.

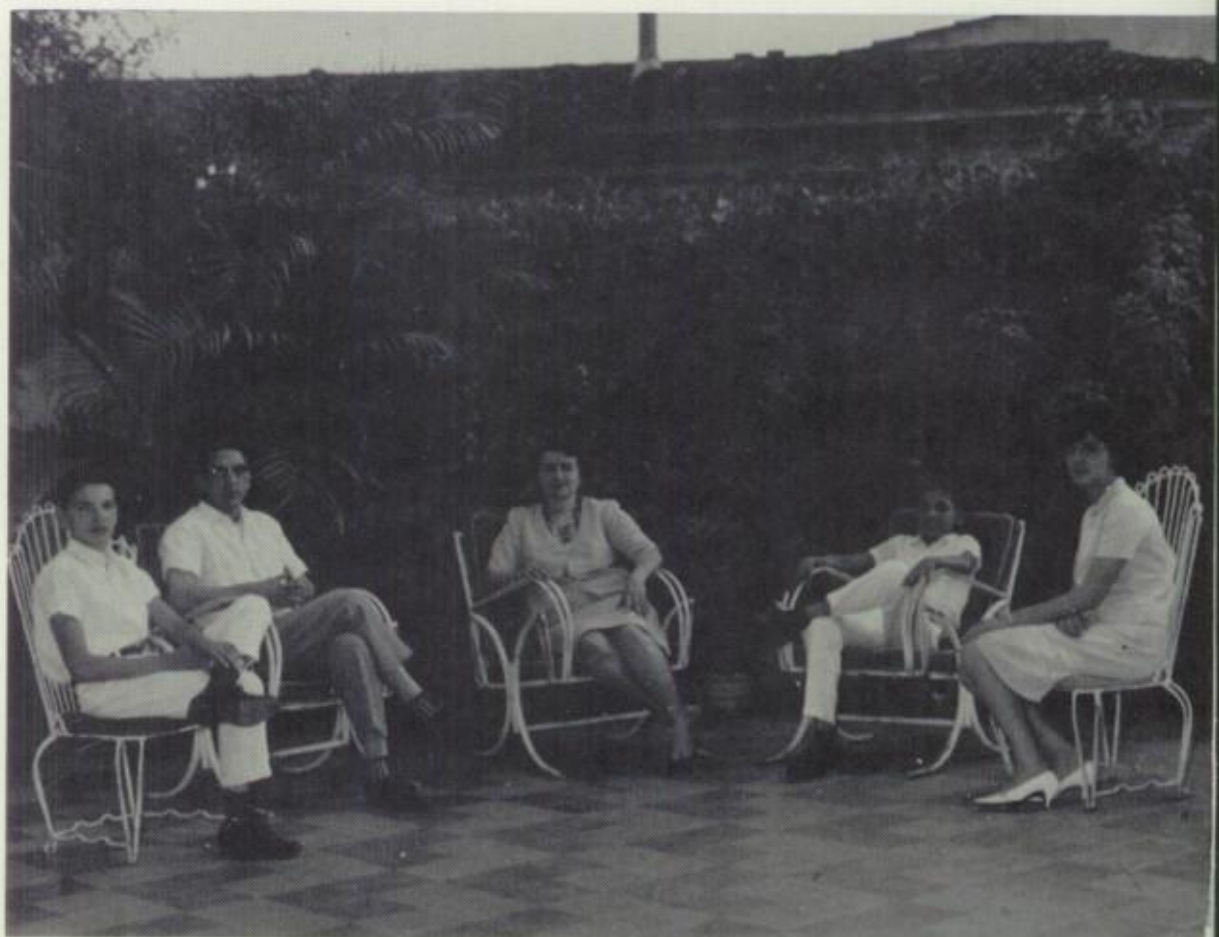

Adios,  
Terri

TERRI feels quite at home on the LHHS campus and has been warmly received by all.

TERRI takes a breather during one of the many Paraguayan fiestas.

# GREEK VISITOR

LESLIE HEIMER

Last summer I was privileged to be the American Field Service representative from La Habra High to Greece. What a wonderful way to start my Senior year!

Most of my summer was spent in Mallia, a small village on Crete. There I lived daily with the people in the home of my adopted family, the Grammatikisises—my mother and father, my sister Ann, and my 4 year old brother Nicko. My adopted father is the owner of a general store, and it carries everything from food to clothing to appliances!

I will never be able to forget the wonderful people of Greece, the beautiful dance festivals, magnificent beaches, fattening foods, or the ancient Greek ruins that were so much a part of my trip. "Thank you" is not enough to my wonderful family who extended the "warm" Greek hospitality to me, nor to AFS for making my trip possible. My summer in Greece and my Greek family will remain an everlasting memory in my heart!

Thank you,  
Leslie Heimer

Cathy Williams, Elizabeth . **TOP ROW:** Bob Causse, Jeff Haire, Tom Morrow, Dennis Jaich, Chuck Belkin, Nancy Middleton, Mary Edminston, Don Johnson.

**THE FRESHMAN CLASS**, a class of greatness, in size, personality and accomplishment, has started its years at La Habra High with hopes for great achievement. We need only time to mold these hopes into reality. The beginning of these molds have already been set by the integrity and enthusiasm that has been put forth thus far. The class of '68 will strive to carry this on in the next three years. With the Mac Innes motto to spur us on, "Pleasure arises from work," the Class of '68 shall and will achieve these ideals.

As the 1964-65 school year comes to a close, Thespians, the National Drama Society, has once again created an exciting, successful year. Thespians central theme was the "Promotion of Better Dramatics." The members followed through with their theme by presenting "The One Act Play Festival" on campus which is the dramatic event of the year. Awards are given to various students who achieve high merit in these productions. The Thespians tour Pasadena Playhouse annually. They meet actors, directors, producers, and members of the production crew. All Thespians try to improve themselves in drama and as human beings.

# PEP CLUB

**Pep Club** has been an overwhelming success this year. Because of the club's active participants, Pep Club has contributed more this year to school spirit than any previous year. Under the leadership of Nancy Gumm, Pep Chairman, the pepsters provided posters and shakers for each game. The club also had two food sales and arranged all pep buses and routes to away football games. Telegrams of "good luck" were sent to the basketball and football players and carnations were presented to the Cross Country runners entering CIF.

Art Club has been working on a 20x5 foot mosaic mural of abstract school activities, and this will be installed in the new library on its completion. It has taken seven years to complete this mosaic. Art Club has gone to various art shows throughout Southern California including the Disney Studios. Under the fine supervision and help of Mr. Schey, Art Club has provided a meeting place and activities for students who are interested in art creativity.

"Not until printing came could learning, yea and wisdom also, knock at every man's door." This quote was taken from the Latin of Cardilius in 1546 and has been a stepping stone for each club member. Acquainting students with the various phases of printing is the club's prime purpose. Graphic Arts has become increasingly active during the year printing Pep Club booster cards, dance tickets, and composing the football programs to sell to the student body.

A Tense Moment

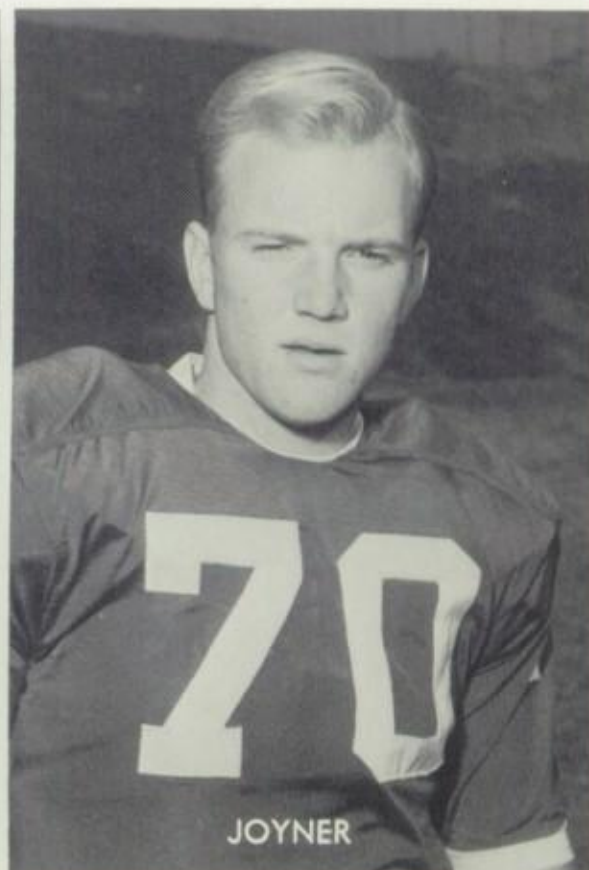

This year the La Habra Varsity football squad placed second in the Crestview League, higher than any previous Varsity squad from our school. Coach Harry Gruber, in his first year as head football coach, along with Coaches John Marty and Gene Uccelini, worked their young team against heavy opposition to cop the second place honors.

This year the JV's, coached by the Varsity coaching team, ran up a 3 win 4 loss record. This year the team as well as the coaches were rotated between the Varsity and the JV's. The JV's got off to a fast start by winning both of their pre-league games and holding their opponents scoreless. In league competition they only won one game giving them their 3-4 total for the season. The coaches felt that it was a good proving ground for the Varsity. The experience that the players get this year will do them good next year as many of them will continue to the Varsity.

Bob Raley picks up yardage against Magnolia as Duane Carlberg stops the opposition's tacklers.

COACH WINKLEMAN

The B's, composed mostly of freshmen, found competition in the Crestview league a little rough. They were only able to tie one game in league and went 1 for 4 in pre-league. Although the B's didn't do too well, the coaches agreed that the team showed potential power with more experience, and they are hopeful of a better season next year. In the past the B's as well as the JV's and the C's have proven to be a good proving ground for future Varsity footballers.

Above, the B's show good holding power as well as good running. These two qualities led to a 1-7-1 season. Although this season was not too good the coaches are hopeful for a better season next year.

The C team enjoyed an 8 win, 1 loss season under Coaches Stone and Hurley. This game-winning team may very well foretell the Varsity football future at La Habra.

Paul Hackett stays ahead of tacklers to gain valuable yardage in C game below.

**THE LA HABRA** Varsity wrestlers finished their season with an overall record of four wins and seven losses. The team this year was led by two outstanding wrestlers, Jon Broc and Owen Larson, captains. Phil Katsis and Bob Sorenson were named co-captains of the varsity team.

Greg True was the only wrestler this year to go to CIF. He finished second in the Crestview League.

In the 106-pound weight class, Don Dodson, a freshman, took third place in the League. Phil Katsis, co-captain, took third place in the league also.

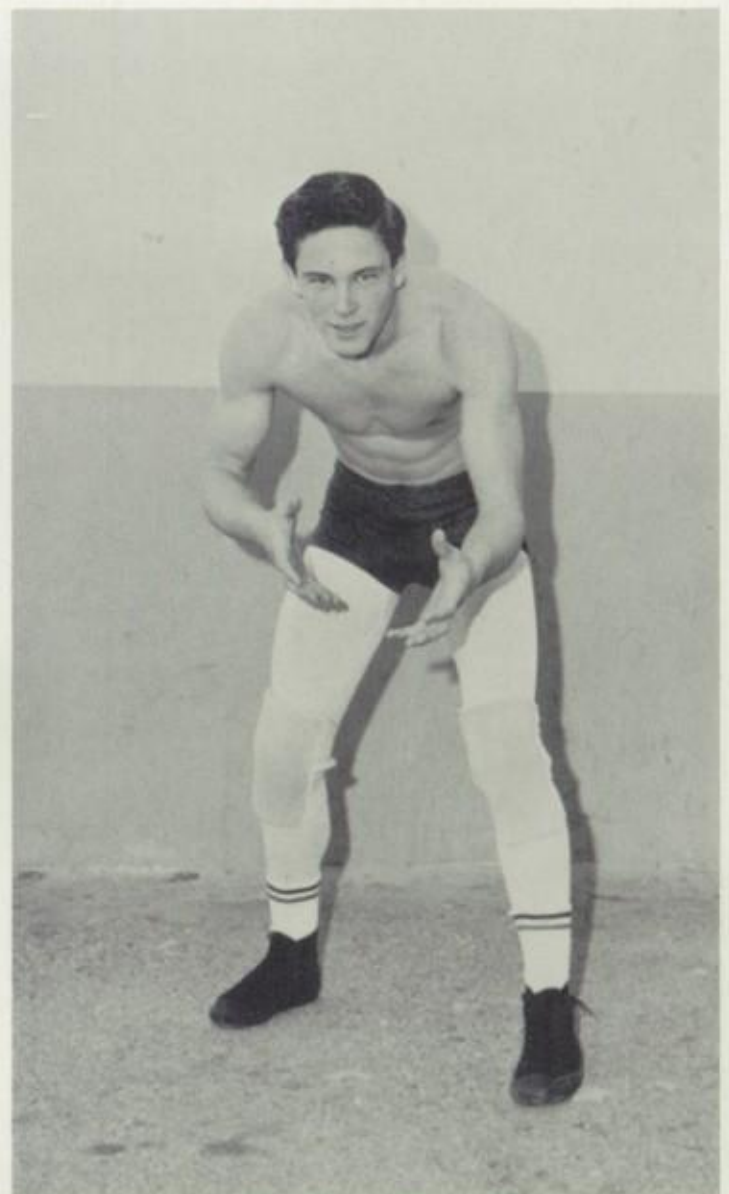

In the 136 class, Owen Larson took third place, after being out almost all season from an appendectomy. Jon Broc, in the 141 class took third after breaking his finger in early league action.

Coach Uccellini stated that, they had "a pretty good season considering that we lost what I consider two of the leading wrestlers, due to injuries."

# CLAN TAKES SECOND IN LEAGUE

One of the better La Habra High School basketball teams in the school's history flashed to a second place finish in the Crestview League race and a berth in the SCIF playoffs. With the superb coaching of Tex Wallis, they compiled a record of 20 and 6. At one time the Highlanders received honorable mention in the top ten teams of Southern California and were also rated third in the final Orange County prep poll. The Clan upheld the defending first place title during the annual Kris Kringle Tournament. During the first round of SCIF playoffs, Junior Lou Guterrez tallied 25 points to boost La Habra's win over Catholic League champs, Loyola. Proceeding to second round, the Highlanders, despite Jim Wendoll's 23 point effort, were defeated by a strong Garden Grove team before a capacity crowd at the FJC gym.

Pacing the squad were Seniors Dennis Cypher and Jim Wendoll. Cypher was named to the sportswriters' all Orange County all-star first team and also named by the Crestview League coaches to the all Crestview League first team. Cypher had an average of over 15 points per game during league play.

Setting a new school record of 301 total rebounds during a season was Jim Wendoll. His outstanding ability brought him recognition from the Crestview League coaches by receiving a second team honors on the all Crestview League second team. He also averaged 12 points and 11.4 rebounds per game.

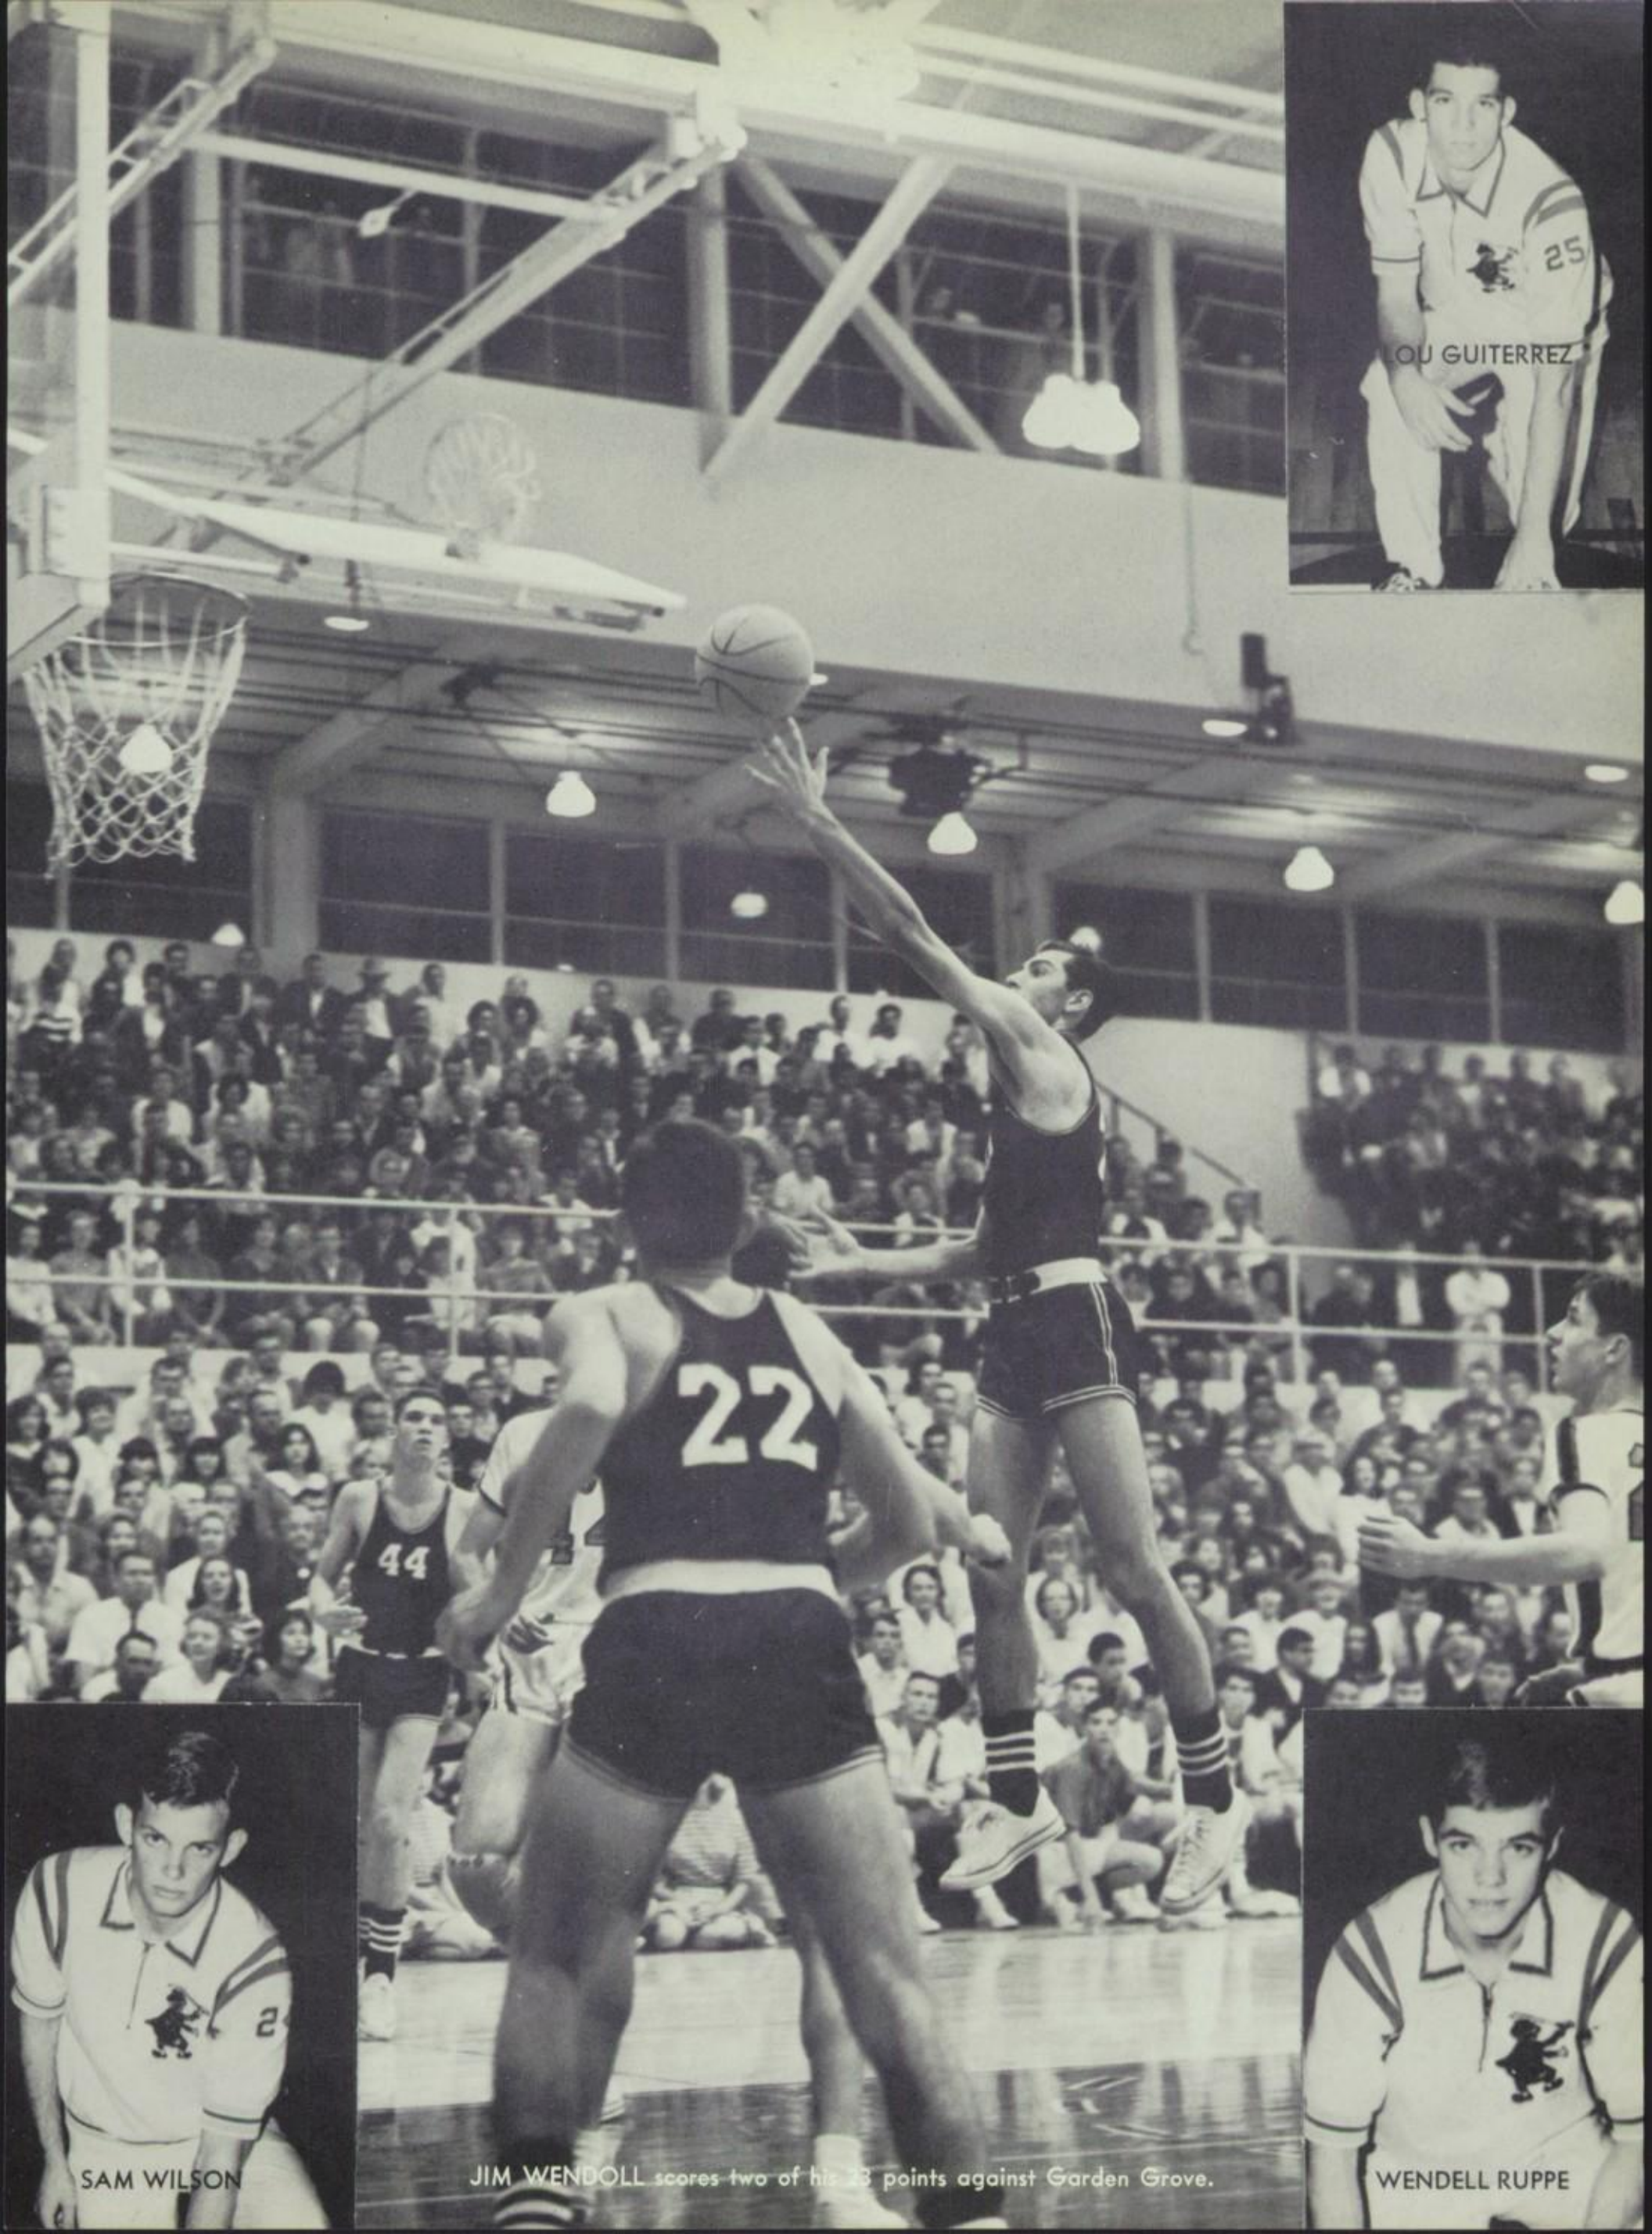

Another starting senior was playmaker Wendell Ruppe, who sacrificed his outstanding scoring ability to set plays for the Highlanders. He was still above the 12 point per game average and was also selected to the coaches all Crestview League second team.

The two juniors concluding the starting lineup were Lou Guterrez and Sam Wilson. With their experience these two can hope to lead next year's starters.

Joel Everitt, Kirk Wallace, and Tom Lugenbill gave extra strength to this year's team as Wallis' reserves. Joel made an outstanding performance during the second round of SCIF playoffs. To conclude the great La Habra High basketball team there was Ray Lozano, Randall Ruppe, Jeff Kossin, Brad Taylor, and Stan Bovee.

There's only one word to describe the 1964-65 JV basketball team . . . VICTORIOUS. The team was undefeated for the second year in league competition and their nearest competitor was three games out. Coach McIntosh has the responsibility of training the future stars of the Varsity team. Leading the squad was Greg Fowler who broke the individual scoring record. The Sinay twins were sensational rebounders. Next year's Junior Varsity team will have the responsibility of upholding the winning tradition of past JV teams.

With the constant rebounds of Darrell Hughes and Frank Herdman, our B's were able to gather a 1,165 scoring total. Hughes was selected most valuable player and Captain Tim Dunkin led his team with a total score of 262 points. Due to a broken foot, co-captain Doug Switzer was out for part of the season. He gathered a 107 scoring total though. Many of these boys will represent the Junior Varsity and Varsity teams next year.
